Autumn building update

There has been a lot of progress on the new building since I last gave you an update in September.

This time, Aartika Suresh and Sophie Marfy (Y5) have taken responsibility for the update, visiting the site with Ms Halpin, taking photos and writing a report.

Their report can be found on both the MLE (Hollymag) and the school website.

SCHOOL TELEPHONE

Apologies if you have not been able to phone the school - we have had a fault on the line since Thursday morning which will hopefully be fixed today. Please e-mail info@hollymount.org with any non-urgent messages, or if urgent, try the school mobile: 07572 213760

Here are the 9 lucky children who went on the tour of the Olympic park on Tuesday. Annabel is pictured with the GB Boxing Team!

Two extra clicks and that special gift you bought online will give back to Hollymount PTA. Easyfundraising – making money for the school at no extra cost to you!

Sweetie Crackers for Christmas Fair

As always we are asking each child to make a Christmas cracker from a kitchen roll tube filled with sweets and wrapped to look like a Christmas cracker!

We always sell out of crackers so please bring your spare empty tubes (kitchen roll tubes only please) to school and leave in a bag in the foyer.

Filled tubes will need to be brought into school from Monday 28th November.

No chocolate please, as it melts!
