SCHOOL CLOSED TO PUPILS

Half-term
Mon13 - Fri 17 February

Matched Funding

If you were the kind person who said that their husband could do matched funding for their stall at the Christmas Fair please can you get in contact with me? I have completely forgotten who it was who made the offer. Thanks so much. Lucy. 07941224252 or lucy-hatley@gmail.com

It was a first for Hollymount School yesterday - the whole of KS2 went to the Bloomsbury Theatre to see a stage adaptation of Philip Pullman's novel, "The Firework-Maker's Daughter".

Here's what they said:

The play was cleverly put together.
Joe T

It was exciting. I had read part of the book but it was still surprising.
Nathan

Absolutely brilliant!
Tilly

The puppets were amazing. Everyone was spell-bound!
Mrs Davies

Fantastic. I liked the part where Lila put on her firework display.
Izzy H

All I knew was that Lila wanted to be a firework-maker so the whole play was unexpected and exciting.
Sachin

I liked the big fireworks at the end.
Maya

PTA Pamper and Shopping Evening

We are planning this for the evening of March 15th. We are looking for beauty therapists, hair-dressers and anyone else who can offer a pamper-related service. It's a perfect way to increase your customer base. If you are able to help, or know someone who can, then please contact hollymount-pamper@mail.com or Michaela on 07990 663962.

Nearly there!

As you can see from these photos, progress is being made towards the initial move into the new building at February half-term.

The contractors will then be moving on to the school site to put in the new all-weather sports pitch and refurbish areas of the current building. This means that some changes are having to be made to arrival and departure times/points to ensure safe access for the children.

A letter outlining these arrangements will be sent to all parents early in February - this will contain important information, so we will alert you by text to look out for it in the book bag!
