Dear Customers,

We thought we would like to update you as to how we will be continuing to trade during lockdown.

- Our shop will be closed to customers, but will continue to be staffed 6 days a week.
- We can still take web orders which you can collect from the shop or we will deliver to your door.
- You can still phone us to place an order or to discuss sizing if you are unsure.
- In every click and collect or web order you will find a returns note and a freepost label. Please use these if you wish to return any items for exchange or refund.
- We are not just selling uniform, our website is being updated constantly with School shoes, Trainers, Rugby boots, Hockey astros, Hockey sticks, Tennis racquets, Gumshields, Rugby balls, Footballs, Hockey balls and lots of other sports equipment.
- Call us if you need something not on our website, we will do our best to help.

With our best wishes

Paddy, Lizzie and Sara
