

## Polka After School Drama Club Spring Term 2022

**Act, create, imagine, explore...Polka's After-School Drama Club**

Polka will be back delivering a variety of drama games and activities at Hollymount Primary next term, providing plenty of creativity and laughter along the way! As well as developing existing skills, the children will learn new ones, including role-play, characterisation and physical theatre to develop communication, social skills, build confidence and encourage self-expression.

This Spring Term we will jump on planes soaring the skies and hop on the Eurostar, as we go on a journey around the world! We will visit different countries, understand new cultures and together we will learn about perseverance and determination, overcoming any challenges that we might face along the way! We are looking forward to reconnecting with everyone after the Winter Break and as always, having some creative fun.
